### IMPORTANT NOTES:

Exterior Color Change Requests may be submitted *only* during the year that the unit is scheduled for its periodic maintenance re-painting by the Association.

1. This form must be used for all Exterior Paint Change Requests and mailed to the Architectural Control Committee at the address below.

2. Requested colors must be from the Div 17-designated paint vendor (Rodda).

3. **Units will be repainted with a two-color format.** (*Two separate colors for siding and trim.*)

4. **All downspouts and gutters will be painted the TRIM color**, unless owners specify for all the gutters/downspouts to match the SIDING color. (Enter this info in Remarks Block, above)

5. **Front doors will be painted the same color as the trim *unless* a third color is requested by the owner.** See block for "New Color Names/Numbers" (above).

6. Color changes will be approved only if they conform to the general aesthetic and decorative theme of Division 17 and are similar in color shade/tone to existing units.

7. Painting shall be done only by the Association-hired contractor.

8. Color Change Requests will be reviewed/responded to within 30 days of receipt.

**We request our building's exterior colors be changed as described above.** (*All unit owners in the building must sign before the form is mailed to the Architectural Control Committee.*)
